

# San Florez

# Product information

## Product profile

Quarried and hand split exclusively for Quantum in North-West Spain, SSQ San Florez slate has an elegant blue-black colour and strong, deep texture.

SSQ San Florez has achieved excellent results when tested in accordance with EN 12326, in addition to passing SSQ's own rigorous quality control tests, performed at source. It also carries the UKCA marking and is classified as 'W1-T1-S1' as well as been tested to the demanding Norm Français (NF 228), which has the strictest slate testing criteria and procedures in the world.\*

Each pallet leaving the quarry is subject to inspection and certification. Independent, random spot checks are also carried out to ensure the best quality.

\* Test results are available on request

Minimum headlap for fixing slates with nails or hooks according to BS 5534: 2014+A2:2018 Code of Practice for Slating and Tiling  
Moderate exposure (< 56.5 l/m2 per spell)\*
