VELUX®

VELUX anti-heat shutters

Prevent the loss of energy, keeping rooms warm in the winter, completely blocks out light, offers noise reduction during hail and provide additional security.

GETTING HOT?

VELUX blinds

Add the perfect finishing touch to VELUX roof windows with VELUX blinds and shutters. Roller, Pleated or Venetian available.

VELUX anti-heat blackout blinds

Effective heat protection to keep your home cool on sunny days. It's the best of a solar anti-heat blind and an anti-heat shutter combined.

VELUX blackout roller blinds

Offers a light-proof seal for total darkness anytime. Ideal in bedrooms, where complete light control is required.
